Dear Parents,

For the past 11 years the Pressman Academy Day School has been accredited by the Western Association of Schools and Colleges (WASC) and by BJE. Last year the Early Childhood Center (ECC) was added to our WASC accreditation.

The current accreditation term expires in the spring of 2011. As an initial step we are asking all parents to complete a survey. Your input supplies us with valuable feedback and is vital to the success of the accreditation process. The data from the survey will be used to develop an action plan that will serve as the strategic planning document for the Day School and ECC for the next six years.

We will continue to keep you informed about our progress during this re-accreditation period and, to that end, will be launching a page on the Academy's website where information will be available. In the meantime, we encourage you to complete the parent survey.

Thank you in advance for your time and commitment to Pressman Academy.

Sincerely,
